

# World's Biggest Fish Fry Grand Parade

Friday, April 26, 2013

Paris Wheels Skating Center will be participating in the World's Biggest Fish Fry Grand Parade as a commercial entry with a small float and a few skaters. If you would like to participate with us we'd love to have you along. Keep in mind the following information:

## RIDERS:

- Due to limited space on the float, riders will be determined by a lottery drawing. Entries can be made at the rink during regular skate sessions. One entry per person per session.
- Must have Parent Permission Form and Photo Release Form turned in to rink no later than Thursday, April 25.
- Wear your rink shirt, if you don't have one, see Miss Jen. Dress appropriately for the weather. Cool temps – wear long sleeves under your rink shirt or wear rink hoodie. Warm temps – wear sunscreen.

## SKATERS:

- Anyone wishing to skate may do so. However, you skate at your own risk and you must be able to skate the entire parade route and keep up with the rink entry. No additional seats will be available on the float.
- Provide your own skates with proper wheels. Outdoor wheels are available at the rink at a 20% discount now through Thursday, April 25. Supplies are limited so please let us know what you need no later than Sunday, April 21 so we can get more ordered if needed. We can assist you in changing out your wheels but this MUST be done no later than Thursday, April 25.
- Safety gear is highly recommended – falling on asphalt is very different than falling on the hardwood floor inside the rink and asphalt will cause abrasions! Wrist guards and knee pads (roller derby quality) are available at the rink. Supplies are limited so please let us know what you need no later than Sunday, April 21 so we can get more ordered if needed.
- Must have Parent Permission Form and Photo Release Form turned in to rink no later than Thursday, April 25.
- Wear your rink shirt, if you don't have one, see Miss Jen. Dress appropriately for the weather. Cool temps – wear long sleeves under your rink shirt or wear rink hoodie. Warm temps – wear sunscreen.
